“ Dear Ginny and Donapel family,

Our sincere condolences on the passing of Mrs. Donapel.

The wonderful lives we enjoyed growing up in the 1950s and 1960s was due to the fact that our parents ---after experiencing the challenges and sacrifices needed to defend freedom during WWII---continued to make sacrifices to make certain their children, our generation, benefitted from the freedom and opportunities available thanks to their efforts. Our parents truly made the 50s and 60s "Happy Days" for us!

Although this is a time of sadness, I am certain, in time, that the wonderful memories you have of your mother and grandmother will once again bring a twinkle to your eye, and a smile to your lips, every time you think of her.

Best regards,

Bryant & Kathleen Heisinger
