“ So many memories of my sister. I was 8 years older and the designated babysitter. We shared the same bedroom and if there was a thunderstorm, she would get in my bed. Her favorite snack was Bosco in milk and graham crackers. My husband called her the Bosco kid and she would grin and nod her head. Mom and Dad enjoyed watching her play softball and spent many happy hours doing so. We grow up and life happens, but in my heart she will always be the little sister, who would sneak into my bed. Rest in peace my sister. You are with Mom, Dad and brother Ray. When I am in the grocery store and see graham crackers, I will smile and see your face. Your loving sister, Ruth
