“ *My thoughts are with you Carol, the kids and grandkids. I have nothing but good memories of Al from the time I was your neighbour until now. He was a wonderful and wise man, who loves a joke now and then. I will never forget him, he'll be in my thoughts. Love you all. Marianne*

“ *Dear Mrs. Nardi and Family, I just want to say I am so very sorry! Al was a very special guy. No matter what kind of a mood you were in, if you were around him he would infect you with his laughter! He was a great guy to be around when he was at work. The day always went faster and you were always wanting more of him. Hold his memories close to your hearts. He will always live in them. I am very thankful he touched my life, I will never forget him. Take care Al, and may God bless you and keep you until we meet again!*

“ There are no words to express the loss we feel with this sudden tragedy, God took you away too soon and left us all with a huge hole in our hearts. I wanted to thank you for giving me the best gift, your son Albert and the wonderful family you created with Mom. Your smiling face and jovial personality will never be forgotten. You truly are the best Father-in-Law anyone could have asked for. With all my Love, Colleen.

“ Carol and family, My deepest sympathy to all of you at your sudden loss. Al was the kindest man I ever met. While at the DRPA he was my friend and confidant. I remember one Christmas Michelle wanted a black kitten. You and Al couldn't find a kitty anywhere. Four days before Christmas Al asked me if knew of any! Well, the day before Christmas I found "Black Jack".I put him in a box and carried the cat to the CBB for Santa to deliver. Cherish your memories, Al was a good husband and father. God bless all of you.
