“ Just one of Al's many Marine buddies. He gave all of us many  
laughs. Just last year Al made me three corian desk top picture  
mounts to be awarded to deserving Toys for Tots merchants.  
Recipients thought the gifts were just great. I was born Mar.29.1931  
and was in Korea. Al and I often exchanged "sea-stories" One heck  
of a Marine and he will be missed by our Detachment. God be with  
you all, John Mason

“ Sis and family; Charlotte and I were saddened to hear of your beloved Al's death. He was a good man for a drill sargeant. I'll always remember the good times when I was in South Carolina and would visit y'all at Camp Lejeune. I remember the only duck I have eaten was Thanksgiving 1963. It did not taste like chicken! I remember fondly when I would hook up with y'all and we would travel to New Jersey. Our prayers are with you and your family during this sad time. We love you Sis.

“ Sincerest sympathies to the Koppel family. Al could be gruff in the Marine way, but he was well respected and liked by his fellow Marines. His hard work and love for Florence and his family was obvious to us all. We'll miss him.
