“ *To My Sister Alice I will miss you very much We had very special times together. Iam so glad we got to spend our birtdays together this year. I will never forget childrens Day and the beautiful dress you bought me and all the times I didnt want to go to school and you would personally take me there. But my last memory I have of you was when I was talking to you in intensive care and one little tear came down your face. I love you my dear sister and I will miss you so very much.
