“ *I haven't seen Andy for many years. I lived next door to the Standishes for many years growing up. I can't say how saddened I am to hear of her death. She was one of the nicest people I've ever known. And to see her video, you could see in every one of those pictures how much she loved her family and how much she was loved. My deepest sympathy to Jimmy and Robbie and all of you. I was also sorry to realize as I was reading the other letters that Mrs. Standish (Helen) had already passed. I didn't know.  
With love, Kim, Bobby & Mary & Tom Carr*

“ To know Andy was to love her. She was a special person in the lives of so many, including myself, Michael and our children. She touched our lives in many ways and she will truly be missed. Her smile was contagious and her bubbly positive outlook on life was noble. How do we say thankyou to her for touching our lives and our hearts? Now, she is where there is no pain and she can be with those she loved that have gone on before. The tribute to her was awesome and very touching. We feel honored to have known and loved her. Her family can be proud of such a loving sister and daughter who brought happiness to all she encountered. We'll miss you Andy and may you dwell with the angels, until we meet again. Thankyou Andy for touching our lives. Love Susie and Mike

“ Andi was one of a kind, she was so sweet and always with a smile on her face. We always saw Andi at cookouts at the Sharps and Andi would always have that great smile on her face and a great sense of humor, not to mention how crafty she was. We will miss her! Our deepest sympathies go out to Andi's family, our prayers are with you at this difficult time.

“ It is difficult to find the right words to describe a person like our Aunt Ande. It is more difficult still, to find a way to say goodbye to such an important member of our family. I think we all know that her absence will leave a large void in all of our lives, that will never quite be filled by anyone else. She was so many things to so many people it is hard to fathom that she has moved on to the next world. We will miss her tact, her smile, her laugh, her knack for crafts and anything artistic, her strong sense of family, her enduring spirit and most of all..her love.

“ We will never forget Ande as our client but even more important as the great friend that she became. Her kindness and sweet heart followed her wherever she went. We are so happy that we were able to share some special moments with her in the hospital. We know that she is in God's hands now living pain free and in perfect peace. We will truly miss her and send our prayers to you her family that she told us often how much she loved you all. Sincerely, Patty, Amanda, Sherry and all her friends at Salon Energes

“ I would like to send our heartfelt condolences to the Standish family. I have missed your sister she was the best neighbor anyone could ask for. I will remember her love for her flowers and for halloween. I will especially remember her smile and her kindness. She is now with your mother and her aunts to pal around with again I think they took her because they missed her too.

“ Andrea always had a warm smile on her face and although I didn't know her well, when in her company, I felt like a member of her family. She treated the children wonderful, my daughter Ariana will treasure a Philadelphia trip that she took with Alex and Andrea. They had a fun time with good memories. May God bless her in heaven.

“ Andrea was my idol. We shared many memories that I will never forget. Especially staying over at Aunt Ada's, the beach, her cooking, her crafts & flowers. But she always made me feel like I was the only cousin she had. Our once a month breakfast meeting to catch up on family. She will be missed but will always hold a special place in my heart.
