So saddened of the loss of your mother. I graduated with her and our children went to school together at Delsea. May you all find peace. The good Lord needed her. She'll be your forever angle. ❤️

“ Dear Pierson Family,

I'm so very sorry for the loss of Mrs. Pierson. Sending my deepest condolences to the whole family. There was never a time that I didn't see her smiling and making everyone laugh. She had a beautiful and warming sense to her that automatically lit up a room. Her love for God shined through her and it always inspired me. I will never forget the fun and unforgettable memories at the Pierson house. Rest in peace, you will be forever missed.

“ *Dear Pierson family
Sending you my deepest sympathy for the loss of your wife, mother,
sister, grandmother.
Met Anita at eBible fellowship and remember her warm, kind spirit.
Even though it has been a number years since I talked with her, I
still have fond memories of her. As you know, she was very special,
not only to family, but to many others she came in contact with. She
was one of the first persons to make me feel welcome and
comfortable when I began to attend the fellowship and I shall never
forget that. As a matter of fact, I was thinking of she and Bob very
recently, wondering how they were doing.*

*May GOD bless you all and send the right comfort, whether it be a
call, visit or just the memories of some event you all had.
My prayers and warm thoughts go out to your family

spoke so eloquently of her. My heart aches for each of you. ~ Anita

To Bob, and the entire Pierson Family, my deepest sympathy for your loss, I can not imagine how you feel and I will pray for you all that God will give you strength to get through this time and to remind you of wonderful things to come and that Anita is with Our Lord and her days of suffering on this earth are over, which I know does not lessen your sorrow and missing her here and now.

Anita was such a good friend to me, She helped me so much during the time of coming out of the church, which is when we met, around 1998 or so, we both listened to Family radio all the time and she helped me understand some of Mr Canpings new teachings, but more than that, she was such a caring and helpful friend to me at that time , I felt so,lost and alone and she took me by the hand and Intrduced me to some people and then when we started to meet at the Fellowship she welcomed me to sit with her family and did more than she can ever know for me and my 2 children who were little at that time.

She and I used to try to meet once a month to talk about God,s Word, which she loved to talk about, we could talk for hours when possible and I learned so much from her about what it meant to be a Godly woman in this day and so many other things to long to list.

I will really miss her so much, I do not know anyone else like her, the world was definitely a better place because of Anita.

Love you, Karen

“ *I only knew Anita a short time but she made a lasting impression. I met her in person at the day in the word and she was a smiling, friendly and polite person who greeted me and talked of the things of God with me. I remember her smiling and laughing as they set up to do the interview, perhaps a hint of nervousness showing through her smile. I am so sorry for the heartache you all must be feeling, but like others ilbelieve Anita is back in her real home with the Lord and the time of the fulfillment of her rejoicing has arrived for her. She is face to face with the one she sought to obey and follow in her life.*

I'm own Anita for over 7 years. I first met her at the Ebon fellowship at Delco. We exchanged names and she made a joke and said, I bet you won't remember it. Well, I went home making sure I didn't forget it. The next month at the fellowship, she was so surprised that I remember her name she gave me a big hug. I will miss her so much. She was always so energetic and vibrant. Always smiling . Now you are testing at home my deaf friend. Where all the elect will meet you there one day. May God bless the Pierson family and give them tremendous comfort during this time.
