“ *Hi there my Sweet Aunt Anna, It has been a year now and I am missing you more than you could ever know. But, I will always be thinking of you , no matter where you are. You have been my inspiration from the first day you came into my life. When I married your nephew . You hold a special place in my heart and always will. I hope you are enjoying your time with your boys now. Tell them to take good care of you up there. Don't let your cousin Betty give you a hard time. I can only imagine how much your family are missing , during the holidays & everyday for that matter. Because some days are worst than others for me. But, I know you are in a better place now & not suffering. Love you! Helen*

“ *Well we made the year. And what a year it was. Very emotional and very lonely---each of us in our own way. How you are missed, everyday. We all dispursed for your anniversary....something I know you would not have liked. But with grief, we all had to handle you and Danny in our own way. We miss you Mom and we love you with all we have. We hope Michael and Danny are enjoying your company and we pray that you are happy to be with your Dad and all the friends and family that went before you...Is Uncle Tommy Skay as you remembered him? Give my brothers a hug and tell them that I miss them soooooo much. Tell Michael, I will cheer for the Vikings...silently. Love you guys!!!*

The three of you are missed beyond words, not only by me but by other family members and friends...thank God we all were blessed with the ability to make and keep friends. The memories and shared moments keep us sane and keep all of you alive! Love all of you and miss you more than is necessary.

TO

“ Tom always referred to Aunt Ann as his favorite Aunt...and soon after I came into the family I knew why! Her sense of humor and her love for her family, immediate and extended, made her easy to love...  
Even Nali and Rani, who didn't get to see her very often, knew how special she was to Tom and I and loved her for that.  
We will miss her sooo much!
