“ I remember her best cooking Italian wedding soup for thanksgiving. The year I was there she had to throw the whole thing away and start over cause the chicken broth was sour. She was mad but she was persistent and started it all over again. Just the kind of person she was. I really liked her and she gave her children her life. Thank you Nat and Sean and Kyle for taking good care of her not many children do that nowadays. You are two great people, a blessing to Ann. She is with God now walking and talking and living again.
