“ *To My Precious Friends Roe and Bob, I am so sorry for your loss. I know how much you loved your Mom. I have wonderful memories of a kind, gentle loving person who always had a smile, loved to tease us, feed us with her delicious cookies and a caring person. I was always welcome in your home on Van Hook Street for a cup of tea or whatever was cooking on the stove. I will miss her too and can only imagine the sadness you are feeling now. I wish I could take some of your pain away but please know you are in my thoughts and prayers. Love to you both, Deb and Ray*

“ Dear Delfico family:
I wish to convey my sincerest condolences to your entire family.
Losing a loved one in death is one is one of the hardest things that
anyone will ever have to deal with. There is a great hope held out to
us for the future because God promises to bring those we lost back
to life by means of a resurrection to a paradise earth, where
sickness and death will be no more. I hope this brief message will
bring you a measure of comfort in this difficult time.
