“ *My heart is breaking. Ann was like a mother to me. I have known her since I was five years old our neighbor in Oak Valley. We have stayed in touch all these years. She has always been there for me as I was her. We shared everything in our lives and she confided in me about personal family matters as I did her. I loved her so much. Thank God for Lisa and Michael who cared for her until the end. They took such great care of her and let her live out her life in their home. Ann was like an "Angel" on this earth, especially to me.. Her faith in God got her through everything. She will be in my heart always. She is now and "Angel" in heaven.*

“ My grandma was the most genuine person you will ever meet. Her smile could light up a room. She was so beautiful on both the inside and out. I am so lucky that I was able go see her almost everyday of my life. She made me the woman I am today and I will eternally be grateful. Im so lucky to have you for mine and Jaxson's guardian angel. I love you Annie and I miss you so much. Give grand pop a big kiss for me.
