“ You were my New Jersey Mom!! You taught me how to balance a check book, and the proper way to cook lasagna - You Said: "do not boil the paste first - it will cook with the sauce in the oven" It worked every time.

You took me, Jerry and Jonathan in when we had no family within hundreds of miles and made us part of your wonderful family. You gave me good advise, made me laugh, cooked us the best food in the world and made us feel warm and cozy in your big beautiful house!

I will miss you and always think of you with a smile on my face and a warm love in my heart. Thank you for being who you were, all the time.
