“ *My heart goes out to for your loss. Your mom could light up any room she'd walk into. Her smile and pleasant nature surely radiated everywhere she went. It is with a heavy heart now with her passing, but one day you will be reunited with her. May your memories help you through these most difficult times.*

“ Dear Deb and family
I just loved her spunk and her wonderful personality!! She always made me laugh when she would come into the buffet. Sundays were always special because of Anna Mae. While she is no longer here physically her spirit will be with you always . You were so lucky to have her in your life and Deb, you were such a good daughter! You two were best friends. Please take comfort that she is wrapped in God's arms now.

“ *She was one heck of a woman and one of the nicest people I have ever met. We were neighbors starting in 1963. She had 3 boys and a girl and my mom had 3 girls and a boy. Our parents were married on the same day. Us kids all went to school together and had many a party in Mrs. Kusmanick's back yard. I will miss her dearly! Condolences to all her loved her.*
