“ I have sat thinking since Sunday which Memory to share. Anne & Ron shared many boat rides with me & Fred. I think the most memorable was when Anne pretended to be me, signed my name and voila we are new boat owners just in time for Labor Day weekend. The original owners broke up and we bought their boat. The one guy brought his new friend and did we surprise him. His boat was in primo condition not a thing out of place. He said he was the owner and then he saw our Fishing gear, Fred and Ron were setting up the rods and the man then said with tears in his eyes that he never ever fished on his boat. Fred & Ron had tears in their eyes, (laughing) telling him we were off to go Bluefishing. Ask Ron funnier when heard not written. I have no words for how much I will miss my Best friend. Words cannot begin to express how I am feeling. Love you Anne. Ron my heart hurts for your loss. We will miss her.
