“ *Let this not be a time of sorrow, but a time to remember, to recall the joys of the years spent in the circle of love that was Anne's life . I did not know Anne, but you could not watch the video and not be touched by the love that burst out at you from each of the pictures that covered not just years, but decades . My loss is in not having shared some of that life . Our teachings tell us this is not good-by, but only "Till we meet again" and I hope you will all share my wish to Anne, a beautiful and pleasant journey . God Bless*
