“ Marie was always so very nice to me. She was such a hard worker and very strong to be so tiny. I would call her Miss Tiny Marie and she would laugh. 😊 I know she loved her family very much. She will surely be remembered and missed. My prayers of comfort go to her family.

“ Marie, I will always remember how fiercely you loved your family and how you led with such a loving heart in all you did. You have to be the kindest, most genuine person I have ever known. So blessed to have shared helping to raise our beautiful granddaughters together and so honored to call you friend. You will be so missed but I know you will be remembered everyday by so many who love you ❤️

“ I had the great pressure of working with Marie at Walmart in Bushnell, Florida for many years. She became family to many of us. Her sweet and nurturing personality was so genuine!! I had my first daughter in 1999 at the age of 20 and was very nervous to become a new Mom. Marie played a big hand in helping my mom plan my babyshower and made me a beautiful hand made baby carrier cover bc she knew I wanted an all pink one for my baby girl. When I went to the hospital to be induced Marie was one of the first people there to comfort me and help me through the labor. I will forever be grateful for the love she showed me during that time!!! Prayers for all her children, grandchildren, great grandchildren, and surrounding family!!
With Love,
