“ I am so sad to hear of Tony's passing. He and my husband Tim became good friends when Tony was with Durning string band. I'll remember Tony as a great guy who always made me laugh. It brings me peace to know he is in heaven with my Tim. My deepest sympathy to his family.

“ Tony was one of my brother Sean's best friends growing up. I got to know him well and he will be sorely missed. He played taps at my father's funeral back in 1995. I will never forget that experience or Tony. Rest in Peace Brother.

“ Thankfully your troubles are over and you are now marching to that cadence in heaven. 25 years of ups and downs, laughs and "words". You will always be remembered fondly. AFO/OFA

“ Thoughts and prayers to Tony's family. He was a great guy in his own special way. He introduced me to some fantastic performers like Maynard Ferguson in high school. Being part of the CD marching unit were great high school memories. rest in Peace.....

“ I can imagine you playing your horn to the delight of all the souls in heaven and then to share in their laughter as you share your jokes, sense of humor and stories of your youth. Put in some good words for some of your favorite Philly sport teams to win. God speed and rest in peace my old friend

“ Tony was one of the most awesome friends you could ever have. He was always there for anyone that he knew. To me, my wife, and kids he was family. He was there at my father's funeral and played taps for him. We had a lot of adventures together when we were younger. Too many to list here. He was taken way too soon. I will really miss you brother. Save a spot for me in heaven's band.
