

## Anthony Cifelli

January 31, 1932 - June 30, 2012

Anthony "Mort" "Tony" Cifelli of Washington Twp, NJ, formerly of South Philadelphia, died June 30, 2012. The 7th of 10 children, he lived 80 fulfilling years as a devoted husband, father, brother, uncle and pop pop. A friendly person and a great story teller, he captured the attention of any stranger he met. When he wasn't wiping tears away from his children or grandchildren's eyes with his "magic" hanky, he was body surfing on the beach or cheering on the Flyers. He is survived by his beloved wife of 57 years Catherine (nee Elentrio). Father of Lucia Kennedy (John) of Washington Twp., Anthony Cifelli, III of Bridgeton, Marc Cifelli (Robin) of Bellmawr and Joanne Lu (Paul) of Quakertown, PA. Brother of Philomena Filardi of Sicklerville and Anna Marsala of Philadelphia. Grandfather of Michael, Matthew, Christina, Christian, Alicia, Cameron and Allie.

Relatives and friends are invited to meet with the family Saturday 9:30am to 11am at BOUCHER FUNERAL HOME, 1757 Delsea Dr., Deptford. Memorial service Saturday 11am at the funeral home. Interment private. In lieu of flowers, please make donations to Samaritan Hospice, 5 Eves Drive, Suite 300, Marlton, NJ. Mort was such a cheerful person who disliked the darkness of mourning at funerals that he requested his loved ones to celebrate his life by wearing bright colors such as red. As Mort used to fondly say every morning down the shore, surf's up!

“ Hey pop. Me again. 23 days until I get my tattoo. It's probably going to take up my whole back. It's gonna be beautiful. I wish you were alive to see it. I'm taking Naynay to AC next weekend. I hope she has fun. I miss you, pop. Things just aren't the same without you. I sometimes find myself wondering what type of advice you would give me for my problems now that I'm older. I long for your wise words. I love you.

“ Lucy words can't express how sorry I am for you and your family, i it so nice to see he was loved so much. I only knew him for a few years and he was so sweet. The five years Livi got to know him was blessing, She asks if he can see her from the sky :( I know today will be your hardest day but I hope you can find comfort in knowing he is now back to the "old pop". Love you

“ I love you "DAD". You were and always will be my second father. It doesn't seem real to me that God has called you home. I know you are in Heaven enjoying sunfilled days on the beach that never end. Rest in peace, daddy. SURF'S UP!!!

“ Hey pop. It's me again. I just watched your memorial video and I can't stop crying. I never knew this would be so hard. And I feel bad for the rest of my family, too. Pop, I miss you. So much. I talk to you every night. Your the background on my phone and my Facebook picture so no matter what I'm doing I see you. I can't get the image of you in the hospital out of my head. It's haunting. I'm so grateful for the time we spent together. Almost 20 years of you in my life. You loved me so much. I could tell. I was your little love bug. You were so special to me, and always will be. I feel like I'm missing a piece of me. One of my best friends in the world. And it sucks. But I know you're up in heaven breakin balls. I love you pop... so damn much.

“ May your soul rest in peace, Uncle Mort, as I know it will. After all these years how I regret not having had you in my life more regularly. Always busy living life being forgetful of what is most important. Damn, how life on Earth goes by so quickly. There's something to be said for, "If I only knew then what I know now." I love you and you'll always be remembered. Always.
