“ *Well my memory of my father was a great one. He taught me to hunt when I was small. To ride a dirt bike and be respectful to all the people i meet. He was a great father that always would lend u a hand when in need. Yes he was a little pig headed but that what you get when are all Italian. He loved his dogs and hunting with his family that included his father (Arthur) His brother (Gene) and his 2 sons (Tony / Me (Mike) . I remember the love he had for hunting and the way he taught me to be patience just like in life. My pop told practice makes perfect. I will miss my dad and mt friend.; I know he is safe with god and in no more pain. Mike Costanzo*
