“ I have known Tony since I was 15 years old. My twin sister is the mother of Eric, his only son. I have so very many wonderful memories of the times spent together. Times in health; having fun; days of youth; summers swimming in our parents pool; nights driving endlessly in Tony's car listening to music REALLY loud; doing all the things teenagers do. Both me and my husband, David, send all of you our heartfelt sympathy at this time of great loss.
