“ *Once again I wake up and you come into my mind. We are missing you. I'm so sorry that we did not pick up on things bothering you, maybe we could of helped you more. I think you are where you've wanted to be with your little brother protecting him. As we grow older another family tree branch falls off. You are gone but never to be forgotten.*

*Love and miss you Aunt Chrissy. ❤️❤️*

“ Art, I still can't believe it, you are gone far too soon! You were such a genuine person and friend. It kills me that we will never be able to see each other or even talk again. It kills me that I won't have you as a friend that I can visit and shoot the breeze with when we're old and retired. You are going to be deeply missed by many. Love you man. Until we meet again brother. -Anthony
