“ I was very upset to hear about AJ. I shared many classes with her in high school. She was extremely smart, and had a witty sense of humor. It was not surprising to me that she became such a successful lawyer. We shared many laughs in high school. Unfortunately, I was unable to attend the services. I have been asking myself why God would take she a good caring person so soon at such a young age. Only God knows, and must have a reason and purpose for AJ. My heart goes out to AJ's husband, daughter, step-son, parents, and all of her family. May God guide you in this difficult time. Keeping the memory of AJ alive in your hearts will help you, and hopefully knowing how much AJ impacted so many lives will give you some support through this. With deepest sympathies, Lois Scipione (Gleason)

“ It's still so hard to comprehend that AJ Pistilli should have died... As someone who knew her professionally, I can attest that AJ consistently & positively touched the many, many lives in the courts where she was prosecutor. I will always remember AJ as a person who was both fun & funny, kind, smart, effortlessly efficient, lighthearted, polished, professional, duty-bound, EXTREMELY FAIR, and who always maintained grace under pressure. “ Wendell, Brooke, Dolly, Gus and Family, Please accept my sincere sympathy on AJ's passing. AJ was a wonderful person. I knew her first right out of Widener Law school when she served her lerkship with me. I was so pleased when she decided to practice at my then former law firm. I was honored to be asked to officiate and Wendell and AJ's wedding. I was proud when she was elected Gloucester County Bar and then Gloucester County Bar Foundation president. I was honored to be able to present her the Frank Caulfield Award for excellence. Most of all AJ was a wonderful person and friend. AJ was absolutely genuine and devoted to Wendell, little Brooke and her parents and sibblings. She fought a gallant battle because of her love for all of you. I will truly miss her and our interaction in discussing legal issues and also family, friends and every day events. Cherish your memories of her. Jack

“ My deepest condolences go to the Pistilli and Beakley family. It is with fondest memories I think of the time A.J. and I spent at Deptford Township High School. She was one of the most intelligent students of our class! She demonstrated excellence in everything she did. We shared many classes together and I can not remember an unkind word from her...She left an impact on our entire class just because of who she was. I am not surprised that her impact on those around her continued...may it continue through those who loved her best and most. My sincere prayers are with each of you believing that God and His loving Spirit will comfort you in your time of bereavement.
