“ *I have yet been able to reconcile this loss to us all. My prayers are for us all, for health, Faith, and connection. Barbara Kay's transference to another dimension was devastating to all who were in her life. Remember the things she told you, the laughs you had together, her will and zeal for happiness. I do look forward to a time and place where I will be reunited with her....to feel her strength, inhale her laughter, bask in the sunlight that could only be Barbara Kay. Life is changed again, God bless our Family and Loved Ones.*

“ *We will forever cherish the love and friendship we had. You were amazing taking care of my mom and being our favorite neighbor and most of all my families sounding board. Buttons will miss you so much also. We promise we will look after and take care of Michael. It will never be the same here on our street without the "Barb patrol" looking out for us. Our beautiful friend, we love you forever!!

“ My Aunt Barbara Kay was an amazing women and aunt. We spent many of my summers together as I was growing up. She was full of compassion and loved caring for people. Everynight when I stayed at her house even as I became an adult with my own child she would tuck me in bring me an extra blanket just in case and kiss my head. Everytime we huged she huged me as tight as she could for as long as she could. I will never for get her beautiful soft hands and her voice. She will forever be in my heart until we meet again !!
