“ *I have so many memories, picking just one is not easy. Growing up, I could always call you for absolutely anything, no matter how stupid it was. You were always there. I miss sitting at the table, drinking cup after cup of coffee and just bullshitting about everything and everything. We shared so many laughs and tears together. Thank you for seeing me through my best and my worst years. I love u, u are definately missed.*

“ *Mommy, I love you so much. You are forever my best friend. I don't I understand why you had to go but I do know one thing, heaven is so lucky to have you. Mom, I just want to hold you one more time. Make fun of you for misspelling a word one more time. Just talk to you one more time. I know eventually I'll be able to do all of those things and more but in the mean time, I'll wait. My heart will break more and more everyday but I'll wait. I love you my beautiful mommy. I miss you more than words can describe. I wish you were still here mommy. I'm waiting for your phone call. I love you my mommy. You're so beautiful.*
