“ *It's so difficult to find the appropriate words to express how deeply I'm saddened by the loss of a special friend of many years. Diane summed it up when she said that Barb "touched so many and didn't even know how special she was". Although we're grieving this loss, a void that can't be filled, Barb made this world a better place. She was always caring, giving, and loved to enjoy a good time. I still hear and cherish her laugh in my mind. Our prayers will continue for all of the Dunleavy family as they grieve this loss.*
