“ To the Elmore family, I don't have the words to express my sorrow at your loss, and mine. I will take comfort in the fact that she is no longer in pain, and in a better place. She was the sister of my Heart. God Bless you all.

“ As I sit here, sad because I feel you were taken to soon, but relieved that you are no longer in pain and now in a better place, I think back about all the wonderful memories I have of you. The one thing that I can't get out of my mind is your laugh, it was contagious! You always made me smile even when I didn't want to. That was your gift. You were also the one that got me my first job, yelp you did! You recommended me to your neighbors in Woodbury to babysit their children. I babysat 5 days a week, when I was in 8th grade. I saved all my money up and that's how I bought my first car. Thanks for the wonderful memories, I hope I was able to touch your life in some small way the way you touched mine in a big way. Thank You. I will miss you.....love I'll Ginny.
