“ *My dear friend, I know you are at peace. You will be truly missed by everyone who had the honor to know you. I will forever treasure our time spent together and our many deep, thought provoking, insightful and at times "too funny" conversations. There are no words that I can express to your family, for their loss. I pray they remember all good memories they have shared with you to help heal their hearts so they can find peace in this difficult time. I love you Barbara Ann, my life long forever friend. Until we meet again.*

“ I had the privilege of working with Barb at DB Schenker (2011-2013). She was a great leader and hard worker. I loved her smile and the way she laughed. We had many good conversations and collaborations together. She introduced me to her Brad, who ended up working for me. She raised an amazing son. Rest in peace Barb.

Respectfully yours,

Brian Wilke

“ Barbara was my sisters, Lorraine's, best friend. They were always ther for each other. When my sister's husband died suddenly, Barbara never left her side. I was touched by their close friendship. I had fun at the shore and when Barb and Lorraine came to Hollywood. Rest in Peace. Love Roe
