“ *My Aunt Bonnie and her sister Theresa were the best of friends. They talked basically everyday, I would talk with Aunt Bonnie from time to time and always ended with I love you and same with her. The bond Aunt Bonnie and my mom had was amazing not only were they sisters but they were the best friends, they meant the world to one another. They laughed , loved and cried to each other. Much love in these times of sorrow just know Aunt Bonnie is with other loved ones now and she is happy and healthy!*

“ *My cousin Bonnie meant everything to me. She did so much for me and for my daughter Kathie who died 7 years ago. Bonnie was the most selfless person I ever knew and I will miss having her in my life*

I only wish I could be there for her funeral but I moved down to Florida and cannot make it back. But my thoughts and prayers are with her beloved daughter Julie and her family.
