

Barry N. Lozuke, Esq.

August 13, 2021

Barry N. Lozuke, Esq., age 74, of Venice, Florida, formerly of Wenonah, NJ passed away on August 13, 2021.

A caring and distinguished gentleman universally recognized by those who knew him as a man of great integrity, loyalty, generosity, and gentleness of spirit. He was the consummate professional admired and respected by his clients and legal colleagues alike as an attorney truly devoted to the practice of law and honoring the integrity of his craft while being a passionate advocate for his diverse clientele. Barry was an established and respected authority in municipal law, particularly planning and zoning, and a member of the United States Supreme Court Bar, having had the honor of being sworn in to this prestigious bar with his son, Brian, in 2007.

Barry passed peacefully at age 74 after a long courageous battle with cancer surrounded by his loving wife and children by his side. He was a humble, impeccably dressed, and meticulous man that never sought attention in the limelight, preferring instead to make those around him shine, particularly his wife and family. Barry was raised in Deptford and enjoyed playing football for the Deptford Midget and High School football programs in his younger years, along with trips to the track with his Uncle Frank to bet on the horses. Barry also enjoyed traveling with his wife and family and had a long history of community involvement first serving on the Deptford M.U.A.; founding member of the Deptford Township Elks Club; serving as First Assistant Prosecutor with the Gloucester County Prosecutor's Office; and decades of service to the Borough of Woodbury Heights as Solicitor where he raised his family. In retirement, Barry enjoyed serving as a member of the Golden Strand HOA, where he spearheaded various capital projects and formed new friendships with the residents.

Barry is survived by his beloved wife Clare (nee Stratton); devoted father to Brian; Glenn (Virginia); Ilene; and Christian; and loving grandfather to Sarah, Meghan, Caitlin, Ava Grace, Ethan, Magnus, Thorin, Jaiden, Jamison, and Lelu. Dear son of the late Nicholas and Elda Lozuke and brother to the late Deborah (Debbie) Phillips.

In lieu of funeral services, the family respectfully asks that donations be sent in Barry's memory to honor his generous nature to a charity close to your heart or to the Leukemia & Lymphoma Society, Donor Services, P.O. Box 98018, Washington, DC 20090-8018.

The family also welcomes sharing memories, which may be posted and shared at www.boucherfuneralhome.com.

“ I just came across this news. Barry and I were on the dorm staff at the U. of South Fla. We hung out together and had some good times. He was a natty dresser even then and looking forward to law school. I am saddened to hear of his too early passing. Best wishes to his family.

“ There are no accolades that adequately express the character and nature of Barry. A genuinely humble and intelligent man with an innate ability to radiate trust and goodwill. An absolute joy to be around. A constant, trustworthy and dependable friend. We are sincerely blessed that our paths crossed and our world will never be the same.

“ When I lived in Woodbury I knew his secretary Jean B. Barry represented me in a divorce and he was a wonderful supportive council. When we walked out of the court house he comforted me with his words that meant so much to me, Today I am remarried, a grandfather and living the good life he predicted. You meet so few good men during your life and I was so blessed to have had him handle a very bad situation. I am sorry for your separation from him in this life but I am certain we will see him in the next life. I hope he continues to keep an eye on me from his new residence.

“ Some days are very meaningless, but today is a day of surprise and memories. Barry was an outstanding attorney. He is going to be missed, but his memories will go, go on. I remember him, and the long (very long) conversations we use to have, about anything that would pop into our heads. He was a man of compassion and strength. No matter what he said, it was always to be truthful. He will be missed.

Clare and Family:

We first want you to know we are praying for you and your family in your great loss. It was our good fortune to become acquainted with Barry soon after you permanently moved to Golden Strand.

We enjoyed a close acquaintance during his years of service on the Golden Strand board, and sincerely appreciated his diligent service and leadership in our community. This continued during his years of medical treatment when he never hinted or complained of his illness. We know we cannot begin to appreciate the challenges he encountered.

During all of this, our admiration and respect continued to grow. We regret that Charlie had no opportunity to work with him before their retirements. That is our loss. Their times of walking and talking were a true pleasure. He generously donated his time and abilities to our Golden Strand community, and for this, we are indeed thankful.

All of your family may be justifiably proud of his dedicated service to all who have relied upon his abilities.

I only found out about my cousin Barry's passing just a few weeks ago. I had not seen my cousins in many years and it's so unfortunate we lost touch with each other. Luckily, I was able to connect thru social media with Barry's sister Deb, who passed away several years ago. Deb and I had fun on social media and it was awesome to be in touch again. Years ago before Barry and Clare retired to Florida, he was so kind to offer his condo and I stayed there for a lovely week's vacation from Colorado. Barry and Deb are my mother's brother's children. Their Dad, Uncle Nick was a lovely man who was so kind to me. Rest in Peace, Barry.
