“ Bernadette will always be one of my best friends. She has the brightest soul and biggest heart of anyone I have ever known. From our prom and graduation to the birth of my children, I have so many memories of her infectious laugh. We have seen each other through difficult obstacles and great change. There are no words for how much she is and will always be loved and missed.

“ My prayers and heart go out to James and her family and friends for losing someone so special, Bernadette. I still can't believe that she is gone and that I will never see or hear her voice again. I miss you Bern Bern, my daughter misses you Bern Bern. Our FaceTime convos, our phone convos, our time at work together, our inside jokes "dominos retreat" how you would crack up..we had so many inside jokes I can't even name them all, you were there for me when I needed advice n someone to talk to, you never judged me no matter what the situation, it hurts to know that you were taken so soon n so early...we were just talking bout going out n you seeing your godchild :(I wake up n want to call you or stop n see you n then I cry cause it hits me I can't...you will never be forgotten n you will always be one of my dearest friend's..love n miss you Bern Bern!

“ You are one of the most special women I have ever had the blessing of knowing. Since the 7th Grade you have always been there. No matter how much time passed, no matter what the distance you were always happy to talk, share, and love freely. You are what God's love is. I am going to miss you more than I will ever be able to express. And to the Miller's and James, I am so sorry you lost such a vibrant and precious wife, daughter, sister, aunt. She will be keeping tabs on you I'm sure as she walks with her Father! God Bless you all. Love, Jenn

“ *Bernadette's passing was sudden and devastating for me and all who knew her. My sister was a loving caring person that would do anything to make ppl and animals happy. She was a carefree spirit, but she'd tell you like it was as well. She also was a very sensitive person she felt what you felt. I will miss you always. Knowing there will be no new memories ever made again destroys me. So I'm going to do my best to remember everything like it was yesterday. I Love You!!!!*
