“ *I am so sorry to hear of your loss. I moved to VA with my family in 1976, so I lost touch with many of my cousins. I do remember when I first met your Mom when your Dad brought her to meet the family (I am your Dad's first cousin). She had the most wonderful laugh and was always fun. The video was wonderful!*

“ *I am so sorry for your loss...I know Besse has not been well for some time. I hated to lose Besse as my partner at work (outpatients), we had so much fun...but am so glad she was able to retire early & spend more time with her husband. When I hear people say "they're in a better place now"... I sure hope they're right. RIP Besse, I love you!*

“ Your Mother was a beautiful person, inside and out. She was also a very proud mother of her girls. We worked together years ago at UMH and she was a great nurse, very patient with me as a new graduate for which I was thankful. Bessie had a great personality and always set a great mood for all that worked with her. You could always count on her help and she was always cheerful and supportive to all. Her patients always got great care. Heaven has a new angel...
