“ I worked with Bette at Dynasil for over 25 years. She was a beautiful, kindhearted sweetheart, but tough as nails also. I thought of her as part of my family. We shared so many life events together, both happy and sad. Bette was always there for me, she loved Dynasil and all of us who worked there. The world lost a beautiful soul who is now a beautiful Angel. I will miss you, Bette. May you forever Rest In Peace. My deepest condolences to the Gougon family and may God Bless you all. My deepest sympathy to the Gougon Family. I worked with Bette for years at Dynasil and have a list of memories with her. We ate candy from her desk and had many rides in snow storms even if she did need that extra boost to get up in my truck.. Lots of laughs and shared many old times with her. She will be missed by everyone who knew her. Harry Horay
