“ *Glen, Ray and Tara, My deepest sympathies go out to all of you. Your mother/grandmother was very special to me. She was best friends with my parents and they loved to travel, play cards and just get together to talk. They were friends since they both married and that was over 50 years ago. She helped my parents as they started to age and I will always remember her as Aunt Betty! She was a very kind, generous and heartwarming person who will be missed by many.*

“ *Glen, Ray and Tara, My deepest sympathies go out to all of you. Your mother/grandmother was a wonderful woman and a best friend to my parents. They were friends since before their weddings and continued to travel, play cards, and just have a good time talking for over 50 years. She helped my parents as their health declined and I will always remember her as Aunt Betty. Her passing puts a very big whole in my heart. She was a wonderful, loving, caring woman who will be remembered fondly by me and many others!*
