“ *She is my loving aunt and a mother who was there for me when I was very young. Even though I moved and, was raised in Florida, she was always and forever im my heart. She'll never be forgotten and now she is never lost.*

“ *To Dennis and Family, I knew Beverly when she first started working at the Railroad. I met her through Ann Marie, who lived in Mt.Ephraim before she was married. Beverly, Ann Marie and Me use to carpool to work everyday. We had many a great ride in that wonderful Blue Mustang of Beverly's, that was her pride and joy. I was shocked to hear of her death,I've not seen her for many years but she would come often in my thoughts. The tribute was amazing as I could just feel the love she had for her family. Her eyes lit up every time she saw them and the biggest smile was her gift to them. I'm sure you will all miss her but will always have the wonderful memories she left with each and every one of you. My prayers and thoughts are with you and yours and I'm deeply sorry of the lost of you Wife,Mom and Grandmother. May her Blessings always be with each one of you. Sincerely Yours, Rose E. “ I had the honor to know Bev for almost 20yrs, and the brightest smiles always came to her face when she spoke of her Family. She was so Proud of each of her kids, and when the "Grands" started coming, the smiles were the Brightest !! Even though our friendship started out thru our work, Bev was ALWAYS there for me, whether it was "work" or "personal", she was always willing to listen.....I will miss her e-mails ,and I will miss my friend. My prayers are with Bev and her family.

“ Thought you might enjoy this poem.  
*Just Call On Me I can't comprehend just how sad you must feel For the loss of someone you love. This sorrowful time must still feel unreal And you're looking for strength from above. I hope, from my heart, that your pain will decrease, That your spirit will gain strength again, And I pray that your faith will create inner peace And that God will send blessings--Amen. Till then, if you need me to lighten your load, I'm waiting to come to your aid. Just call on me, and I'll walk down that road, Until the dark times start to fade. Deep condolences, Written By Karl Fuchs*
