“ Tracy, Carla, Brittany and the rest of Blair's family, you have my deepest condolences. I was heart broken on hearing of Blair's passing. I'm still shocked and saddened. I have so many memories growing up with him. First we knew each other since day one. Our birthday's are only a day apart and I remember my our grandmom taking us out every year together for our birthday gift and dinner when we were kids. There are so many memories of spending every holiday with you and all the summers at laurel lake and Ocean City NJ. We grew apart in our adult years but I'm happy to at least got to spend some time with you the past couple years, I truly wish it could have been more. Life is so short and we get so busy with our own lives not even realizing how fast and short time really is. I love you Blair!

“ I had the pleasure of meeting Blair and his family on St. Croix about 8 years ago. I remember the good times we had talking about SCUBA diving and enjoying the beach life. Blair was one of the most positive people I have ever met. Despite the hard times, he always knew how to look on the bright side of life.

To Blair's family, Tracy, Carla, Brittany, Ed, and Jane, I am so sorry. I speak on behalf of my family when I say you are all in our thoughts and hearts. Blair will always remain in my memory, I'll never forget the good times we had.

“ We have so many great memories of blair, camping, swimming at the house and of course his awesome food. He was always willing to give a helping hand without complaint ( well maybe a little complaining). The love he has for his family was like no other. He helped us do carpentry work at our home as I'm sure Tracy was waiting for him to finish one of his projects he has already started. I can go on and on. Please know we are here for you. He surely will be missed. Our deepest sympathy. Cheers blair. God speed brother. Love Zelda and wimp

“ *When I met Blair and Tracey we automatically connected. I will never forget how they welcomed my family into there home and made us feel like family. I could sit on the back porch and listen to Blair's carribbean stories for hours. Blair would cook on the grill and his food was always Amazing!! Blair loved his wife and family and I admired that. My husband and I looked up to them and made it a goal to work hard and take care of our family, go on vacation, live life to the fullest that was always Blair's advice to us and we are doing just that. Blair will truly be missed by my family and we will never forget the good times we had with him. He left us with great memories and will never be forgotten. May God bless the Zirbser family you all are in our thoughts and prayers.*
