“ *We always enjoyed our neighborly visits with Blanche and Margaret. They always put out the red carpet on our family's visits with them, and Blanche, when coming to us, dressed as if she had just gotten off that same red carpet! They were magnificent people. Nothing is ever the same, we miss them, nonetheless.*

“ Dear Kizik family:

I wish to convey my sincerest condolences to your entire family. Losing a loved one in death is one of the hardest things that anyone will ever have to deal with. There is a great hope held out to us for the future because God promises to bring those we lost back to life by means of a resurrection to a paradise earth, where sickness and death will be no more. I hope this brief message will bring you a measure of comfort in this difficult time.
