“ *Mrs. DeFelice was a “go-getter, a cheerleader, a squeaky wheel, an ‘itch’, ‘can I put anything else on my plate’ person” when it came to her children and others educationally. From the first day of the LEEP program, the Deptford Schools gifted/talented program beginning in 1980, I could rely on Bonnie and John DeFelice, Anna Marie Cooney, Pam and David Lawyer, and Joan Rauch to make things happen to get the wheels of the new program turning. From newsletters, gatherings, food, to the background support and coaching of the Olympics of the Mind competitions, Washington, DC trips, and field trips, nothing was too difficult. Bonnie truly believed that “parent involvement” was an extremely important part of educating children. She and the other wonderful parents who helped me and the children in the program made it a success and a truly memorable time of our lives! We are indebted to them!*

Nick, thanks for sharing your mother and father with the rest of us as you were growing up! And, Mike, if you are looking down on us, we thank you, as well!

God’s speed! Another angel earned her wings!
