“ My sympathy goes out to you, Bob, and all of your family. I had the pleasure of meeting Bonnie when my daughter was in band and saw her from time to time after the "band years" came to an end. She was such a genuine person and one that was proud of her family! You couldn't meet a nicer person! May the memories you cherish, along with God's love, help comfort you at this difficult time.

“ We have nothing but great memories of Mrs. Bergen. She drove us to band competitions, to school and spent the entire week at Band Camp with us. She always had words of encouragement and ice pops for us when we were down. Bonnie was the heart of the Band Parents Association. We looked forward to seeing her smiling face every week. We will miss Bonnie very much. Our deepest sympathies go out to the family she left behind.

“ Brad, I have to words to express how I feel about the passing of Mrs. Bergen. I pray to God that her soul will rest in peace. Your mother always made feel welcome at your home. She was a great person and always will. I know that we don't hang out as much as we used to but you are still a brother to me, and always will.

“ *Bob, Bethany, Ryan and Brad- Bonnie was a dear friend we'll never forget. Our friendship grew each year as we shared good times and difficult days together giving one another support, advice, guidance and lots of prayer as we walked together through LouCroft, Pine Acres and Wenonah, chatting hours on the phone and just chilling out at one another's kitchen table drinking up coffee and tea. I'll miss her but I feel comfort knowing that she returned to the Lord as his special guardian Angel. I know she'll be with all of you each hour of the day-*

“ Bonnie was sweet and very friendly. You would have to search far to find anyone nicer. I especially enjoyed the Bible studies we attended in her lovely home. It was quite a few years ago but still very memorable. I had occasion to see Bonnie through out her illness her brightness never diminished. I know she will be missed by her family and friends my thoughts and prayer are with them.

“ Bonnie, was such a beautiful,beautiful person, inside and out. I enjoyed being with her on bus trips, and at work, and I am going to miss her so much. That smile, that laugh, and as she'd get more excited, her pitch would get higher and higher where you couldn't understand a word she was saying and then she would crack up, WE would crack up because it was useless to try and understand her and I am going to miss her so much,she is so loved.
