“ In our hearts you will forever remain the gatekeeper of our family. Aunt Bonnie was the glue that binds and her love for everyone in that circle was invigorating. She told me once that she promised her mother she would keep the family together and she did that with only the purest of love. Although I will miss you deeply, I will celebrate your presence with a lifetime of memories. Your time here with us was not long enough. Heaven must have needed another angel. With Love, Debbie

“ Dear Eimer and Hansen Families, It's been many years since we were all friends growing up back in Gardenville on Bennett, Lindbergh, Byrd and Eli Drives. But, there are many fond memories of those days that will never fade away. The 1950s were such a different time! I can remember Bonnie pulling your dog ("Queenie," I think) off my leg just about every time I rode my bike past the Hansen house as a youngster. That dog just didn't like me, but at least Bonnie did!! Please accept my expression of sadness and sympathy on learning of the passing of Bonnie. She'll always live fondly in my memories of the good old days!  
Warmest regards, Bryant Heisinger
