“ Britt I really can't believe your gone. We had so much to look forward to. We were supposed to start our own families I was supposed to be the cool uncle your kids always were excited to visit, and you were supposed to be the aunt my kids always got away with stuff with. We were supposed to have get togethers and reminice about all the times when we were young. God had different plans for you though. Plans ill never know or understand.
