

Bruce C. Gregory

October 4, 1955 - November 30, 2024

Bruce Gregory, 69, of Westville, NJ passed away peacefully at home, surrounded by family on November 30, 2024 after a four-year battle with cancer. An avid fisherman, “Number one on the Delaware River”, Bruce is survived by his beloved wife Judy (nee Lottes), daughter Amanda (Daniel), son Christopher (Catherine), and grandson Alexander. He was born to the late Alfred and Ruth Gregory and predeceased by his brother, Rodger.

Born on October 4th, Bruce was raised, and spent his whole life on Edgewater Avenue in Westville, except for when he was enjoying the Florida sun and mangoes during the winter at his second home in Jensen Beach. He graduated from Gateway Regional High School in 1974 and spent much of his life as a union worker at SGL Modern Hard Chrome in Camden. He was a hunter, dog lover, and was passionate about keeping Big Timber Creek clean and full of fish.

At the request of the family, memorial services will be private.

In lieu of flowers, please consider donating to your local animal shelter.

“ Our deepest sympathy to Judy, Amanda and Chris. Our prayers and thoughts are with you and your families. Bruce's support and friendship touched us in many ways. He was a great fisherman and friend. He was more than a friend he was our brother. We shared so many memories fishing & family. We will miss him dearly.

“ Bruce was truly a kind loving soul. He loved his wife, Judy and his children. He raised them to be strong like him. He cared about others and stood up for what he thought was right. He loved to fish and of course he loved dogs. In the end he found peace and loved God. I believe he is already in heaven with God celebrating with the rest of his family. He will be missed but we shall see him again. ❤️

“ My deepest Sympathy to my Sister Judy, Nephew Chris, Niece Amanda and their Family's.. You are in my Thoughts and Prayers... I grew up in a Fishing Family and did whatever it took to get to the water's edge to catch some BASS.. Occasionally I would actually get on the water in a Canoe or Jon Boat but the First time I was ever on a REAL Boat was with Bruce.. I will NEVER forget the feeling of Walking Down that Long driveway, in between the Gregory houses, out to the Dock and stepping onto an ACTUAL Bass Boat... Bruce took us out to the River and we Blasted up and down and across that thing all day trying all of his Honey Holes... One spot was crazy.. It reminded me of a Small Cove on a lake but it was ?square?, deep and debris was everywhere... I was way out of my league here... Bruce says, grab that rod, cast it in that corner and reel it in fast... It was a Deep Diving, Green Crankbait and was what I caught my first River Pig on... Then it was lunch time and I was in awe when we pulled the boat up to a dock, got out and ate lunch in an eatery of some kind... I was in my teens and that day was really kewl, all firsts for me and a day I will never forget Thanks to Bruce.

Sending my heartfelt Condolences and prayers to Judy, Amanda and Chris. Bruce was truly a kind, loving person. He may have showed others his rough side but as I got to know him better, I saw his true colors. He loved his wife, Judy and his children. He raised them to be strong like him. He cared about others and stood up for what he thought was right. He loved to fish and of course he loved his dogs. In the end he found peace and loved God. I believe he is already in heaven with God celebrating with the rest of his family. He will be missed but we shall see him again.

“ *Condolences to the family of Bruce.
He will be missed. He was one heck of a guy with so much character, wisdom, and strength. He has touched mine and my son's life greatly. May his memory live on through all the mangos trees he planted in Florida.
Blessings to Judy and his children for comfort through this time of loss.*
