“ *Dear Cate, it was such a pleasure knowing you! I thank GOD that Paul introduced us. Not only were you a wonderful person, a caring soul, you were the best darn hairdresser ever. It is very unfortunate to all, that you got sick and never got better. We need to realize that someone else needs you now! Heaven is a better place and we will all be with you again in the future. I will think about you everyday! You have touched a lot of lives and we will all miss you! Your Friend, Danielle*

“ I am so sorry to hear about Cate. I didn't know her all that well...she cut my hair a few times over at Creative Waves. From what I did know of her, she seemed like a beautiful person. Full of life & always had a smile on her face. It's so sad when a young person is taken so quickly from us knowing they had so much to live for. I wish I got to know her better. Remember...she will always be watching over you. You are all in my prayers. Heather Forsman

“ Dear Tom, Linda & Family,
There are no words to comfort you at this time, although you all should know that you are in our hearts and prayers.
Your sweet and beautiful Caitlin was taken away much too soon. In time may you remember all the love and light she gave to us, and that she remains a part of all those she touched on here on Earth. She's dancing with the Angels and is at peace. Go, Caitlin, go!
With our love, Claudia & Jared

“ What can a big brother say about a little sister, especially one that made me so proud and taught me a great many things about myself. I'll always cherish that brief period when it was you and I, and cherish more the times when we were whole, because those days are now memories, for a part of ourselves has been lost. Love, Matthew Thomas "Larry" Welsh.

“ Caitlin, This is so hard. You lived with me for a year and we became like sisters. We had so many good times going out, staying in,dancing,fighting, watching movies,watching dirty dancing 20 times,you telling me all about what was in this months cosmo,doing my makeup and hair,taking naps, playing SIMS you loved that.What will I do without you. You are killing me smalls.Ill dance every morning just for you.You always told me when you got to be an older you wanted to be a gaudy old lady and I so wanted to see that,and I am so sorry you were robbed of it.I sorry for all the times we didn't agree on things,I am sorry if I ever did anything to really piss you off.I am a handful I know.I am gonna miss driving you to work every morning while we jam to the music in my truck.I have your baby book and since you have been gone I have it laying next me all the time,and I know I have to give it back to your mom,but I am gonna take a picture to keep cause your smile was so addicting and laugh made me laugh and I can't believe I won't see you smile or hear you laugh again.I know you are in a better place now and I am happy for that.I am sorry and I miss you I love you.Bless you sweetheart. I love you Caitlin Joyce Welsh. Tiff

“*Catie, I love you more than words can explain. You are my heart. A life such as yours, one that has touched so many people will never be forgotten. You were my big sister, God truly blessed me when he gave me someone like you to share so many laughs, smiles, tears, and heartaches with. From fashion advice and doing my hair to curling up in bed with me if it was just a bad day, you were always there. When I think of you, though tears may fall, I never fail to smile. From your goofy dancing, to your pocketbook change, I have so much to smile about when it comes to you. You are the most beautiful person I will ever know, and for that I can't be angry that you're gone in body but not in spirit. You will forever live on in all the memories and reasons you give me to smile. I could never be mad at a God who chose to take you, because he had his reasons, I'm only envious that he gets to be with you. You are my angel, so shine on Catie. Irish twins - not joined at the hip but at the heart - that's who we are. We are exactly the same, yet opposites. I love you with all my heart Catie, you have strength and beauty that can never be measured. Until we meet again - may God hold you in his arms.*”

“ Such a tragedy to lose such a great person... I am honored to have
known Catie and call her my friend... She will be greatly missed....
My fondest memories were just her smiles, laughs, and happy go
lucky self... Oh yeah can't forget the Chocolate whipped cream and
never will.... She was always willing to help out a friend even if it
was just to do their hair... There aren't enough words to describe
how much she will truly be missed... Thank you so very much for
the fond memories... Catie you may be gone from our lives but
never from our hearts... I love you and miss you
Lives lived in laughter will never be forgotten
