“ Annette, I am so very sorry to hear about Calvin. I have many memories of him from the Valero Refinery. May he Rest in Peace.

“ Annette, Jeremy and the entire Harrie family. This is devastating news and I am so sorry to hear of your great loss. Calvin was one of my favorite coworkers at the Refinery. As a member of the HazMat team I got to experience Calvin's kindness, knowledge and super sense of humor. Calvin was the fearless captain of our team and showed great patience teaching the non technical members like me. My thoughts and prayers are with you as you share hugs, tears, memories and some laughs. His light touched so many and he will be missed by all who had the privilege of knowing him.
