“ *To my Dad - There's not enough space here to say all the things I want to thank you for, all that I now look back on and appreciate. So thanks for everything you did, and for being our Dad...and I'm especially glad you were wise enough to marry the right woman, our Mom. Together, you two raised 3 pretty good guys...Your #1 boy*

“ To All It was my honor to know "pop". my daughter Sarah, still remembers him as "the man who spinned the money". Even after all these years I still have fond memories of his endless humor and being the subject of his polish jokes. I hope the sound of his infectious laugh will get you through this difficult time.
