“ *My condolences to Michael and to the children of Carol. I hope that they will all take solace in the example and life that Carol lived. God gives life, there is little place for sadness in the death, only room for wonder in the joy that Carol gave her family and community.*

“ *Dear Mike, Janell, Jon and family: I am so saddened by the loss of Carol. She was a wonderful lady, full of life and love and oh, so adventurous! She was always light hearted and laughing! I will be praying for peace as you face these difficult times and years ahead without Carol / your mom in your life! She will be truly missed and I am glad we were fortunate to be neighbors for several years! All our love and sympathy, Bernadette, Jessica and Joseph*

“ *Only got to know Carol the past few years at Church and like her very much. It seemed like such a short time ago that she told me she had been experiencing pain and that she had been having tests. Now is has gone home to be with the Lord already. No more pain for her but there must be much for her family. May God comfort you in this time of loss.*

“ Carol was such a special person. I have many good memories of times we spent together, which I will carry with me. I was looking thru my wedding pictures last night and there is Carol, rushing for the bouquet I was throwing - to be the next single girl to be married... and Mike was that lucky guy. Carol's strength, beauty, grace and smile are the things I will remember most. Thank you for our friendship and may you rest in peace. My sincere sympathies to the entire Dempsey family during this difficult time.

“ Mike, Janell and family, words can not express how sorry I am for your loss. What an extraordinary woman Carol was. I am so blessed to have called her friend and had her in my life. I will always cherish my memories with her. She was always positive, goofy, and so much fun but also would sit and help me talk out a problem and give the best advice. I pray that you have peace as you mourn because I know that she is in heaven with her Lord and savior. I love you Carol!

“ I'm so sorry to learn of Carol's passing. She was a wonderful woman who always made me laugh. I enjoyed our years of cheering on the Spikes, bowling together, and just spending time talking about life. I've enjoyed running into her occasionally over the last few years as our lives went in different directions. She will be missed.

“ Mommy, I already miss you more than you will ever know. My heart is broken. My life will never be complete without you. If my love could have kept you alive you would have lived forever but God needed you now. I will always remember all the wonderful memories we shared and Alyssa will forever hear about her Grandmother and what a terrific woman you were. I could not have asked for anything more in a mother. I can only hope to be as wonderful of mother to Alyssa. Each day I will feel secure in knowing that not only do Alyssa and I have God on our side, but our own personal angel in heaven. Until we meet again....I LOVE YOU ALWAYS AND FOREVER!
