Carol and I went to Most Holy Redeemer and Gloucester Catholic High School together. After high school, we remained friends and spent many weekends together and many wonderful memories were made. Although we lost touch as time went on - I will always remember Carol as being one of the nicest, kindest, creative, and beautiful people I have known.

Rest In Peace Carol 💕

“ *Carol was more than a volunteer for The Gloucester City Cultural Arts. She was always there for me when I needed her help. Carol helped order the new Banner for the Art Festival, and print up the music announcement She was always there when you needed her to take beautiful photographs of the festival. Carol was a talented Artist and Photographer. I will miss her thoughtfulness and kindness. Carol was part of the glue that held The Gloucester City Cultural Arts Festival together. She was more than a volunteer, she was like a Assistant Director. She was a friend that I will miss. My heart goes out to her family.*

“ I was blessed the day I met Carol. She helped me with The Gloucester City Cultural Arts Festival. She went out of her way to pick up the new banner for the organization one year. She was a talented Artist and Photographer. Carol had a kind voice, and she was always there for me if I needed anything. I will miss her and her kind ways. It is not easy to find volunteers, but there was Carol who said I'm ready to help you with anything you need. and there will be another Art Festival. She was part of the glue that kept the Art Festival together, and I loved her for all that she did. Carol was more than a volunteer she was a friend.
