“ *Carol, I will never forget the walk across the big garden with the silly suppers. Wow, they were good. Also, the trips to the dump in the old station wagon. We could put a lot of trash in that old car. I will never forgot you and all the fun we had and the good times. Carol I will miss you. Forever, Fran and Bud*

“ *Carol was never "Carol", she was and always will forever be "Next Door" to me. I do not think that I have a single early childhood memory that does not include "Next Door", Uncle Bob or one of the kids. I will always remember her laugh and her never ending smile. She made life fun "on the farm" and was always there for us no matter what. She will always have a special place in my heart.*

“ I'll always remember "Next Door" as being my mom's partner in crime. She had a mischevious character about her and was so much fun to be around. I loved to hear her giggle! Growing up next to your family was the best. You are all very special to me - just like family. I'm so sorry for your loss.
