Carol, I am so sorry, I just found out today. I went onto your FB page to see how you were doing. I am shocked beyond belief. I am so sorry for you, your new hubby George, and all of your family, as well as your little Piper.

This happened so soon after your surgery, there must have been a complication. My sympathy to all you loved and all who loved you. You had such a big heart. The kind of big heart that some people would be inclined to take advantage of. But you didn't care. You would always be the kind hearted person you were. This is such a shock. I went onto your FB page to see how you were doing. I could not believe what I was reading. I enjoyed the talks we used to have. Will miss seeing your uplifting posts you put on FB.

Rest easy in the arms of Jesus Carol.

Again, to George, and all of Carol's family including your baby Piper, please accept my deepest condolences.
