“ *I'm so deeply saddened to hear of Miss Carole's passing. She was my children's bus driver for one year, yet her kindness and sweet personality carried over afterwards. My kids have spoken of Carole often, saying how much they loved having her as their driver. And she always had a big wave and a huge smile whenever she saw me. What a kindhearted doll of a lady! The world isn't the same without her.*

*To her family, I hope that you find comfort in the fact that she was much loved by her little students and parents alike. I will miss Carole very much. May she soar with the angels in heaven.
Love, Karen, Eric, Connor, and Aaron Spring*

“ I still remember the days as a young kid visiting with the family. It seems so long ago but not long enough to have say good by so soon. Aunt Carol was always one to tell you how it is and never held back. She was very proud of all her grand kids. She smiled from ear to ear when talking about each and everyone. My heart goes out to each and every one of you, as I could not imagine the heart ache of loosing a parent. With time your pain will fade, but her memory will live on. Aunt carol has joined the many other family members that were taken from us way too soon. We have another angel over us, so for now it is not good bye..it is until we meet again! XOXO

“ Her Journey has just Begun... Don't think of her as gone away Her journey's just begun Life has so many facets This earth is only one Just think of her as resting From sorrows and tears In a place of warmth and comfort Where there are no days and years Think how she must be wishing That we could kno today How nothing but our sadness Can really pass away And think of her as living In the hearts of those she touched ... For nothing loved is ever lost And she was loved so much... Carol Good Sleep in Paradise You will be missed by me Pat T. and our coworkers at Deptford Transportation So sad
