“ My dear sweet friend, I am still in shock and disbelief. While I am honored to officiate your service, it will be difficult to keep the broken pieces of my heart intact. So, I will think of you as I always have....picturing your beautiful smile, little giggle and of course your enormous giraffe collection. You truly blessed all who knew you with your kind, gentle, upbeat personality. Until we meet again Kitty, you will remain in my heart. Love you! ❤️

“ I knew Kitty from working with her in West Deptford. She was was a bus driver who became the director of Transportation. She did an amazing job. She was an amazing person. Always upbeat and personable. She solved numerous transportation issues for me when I was the principal at the Middle school. We bowled together and traded jokes. Robyn and John your mother was THE best! May your family heal and move forward sustained by all your great memories of mom. Rest In Peace my friend. Chuck Merkh
